# 2023 REDCLIFFE KITEFEST: OVER 30,000 ATTENDEES FROM AUSTRALIA, INDIA, INDONESIA, MALAYSIA, BELGIUM & NEW ZEALAND, AN INTERNATIONAL SUCCESS!

The 2023 Redcliffe KiteFest has once again soared to new heights, delighting crowds with a vibrant display of kites and an action-packed program of entertainment. Hosted at Clontarf's Pelican Park on September 16 and 17, this beloved family-friendly event drew in over 30,000 visitors across the weekend, solidifying its reputation as a cornerstone of the Moreton Bay region's destination calendar event.

The main attraction of this year's festival was the awe-inspiring gigantic kites, expertly manoeuvred by international kite flyers from Belgium, Indonesia, Malaysia, and New Zealand. Their breathtaking display painted the skies above the main arena with a kaleidoscope of colours and patterns, leaving spectators in awe.

One of the festival's most anticipated moments was the appearance of JJ from the popular children's program Cocomelon, who took the Sesame Lane Main stage by storm. JJ's live performances had families singing and dancing along, creating cherished memories for all.

In addition to the sensational kite displays and Cocomelon's lively act, attendees were treated to over 20 free workshops and activities, a dynamic aerobatics display, roving entertainment, the UniSC Kids Zone, thrilling amusement rides, and a bustling marketplace featuring a variety of stalls and delectable food trucks.

Natassia Wheeler, CEO of Moreton Bay Region Industry & Tourism, highlighted the significant economic impact of the event.

"The Redcliffe KiteFest in the Moreton Bay region is Australia's premier kite event and draws visitation from not just domestic but also international markets such as India and China. After 27 years, it continues to grow and generate significant economic contribution to the local economy with this year expecting to be over \$4 million."

"The Redcliffe KiteFest is an integral part of Tourism and Events Queensland It's Live! in Queensland calendar, showcasing the tremendous appeal it holds for both locals and visitors alike."
